The logo for 'You Play' features a stylized speech bubble icon on the left, containing the word 'you' in a bold, sans-serif font. Below this, the word 'play' is written in a larger, bold, sans-serif font.

**you
play**

City on World Heritage List

The city has been enlisted in UNESCO's World Heritage list. The number of tourists is predicted to double.

Gain 1 extra resource on this turn

Clashes of Fans

Violence broke out between fans after a football match.

Any player could decide to go straight to the sports complex to sort out the violent clashes by paying 3 resources from their department.

If not sorted out:

Health -1

Justice -1

University Protests

Young people are protesting at the university for qualitative education.

Any player could decide to go straight to the university and pay 2 resources from their department to sort out the problem.

**If not sorted out:
Education -2**

Firefighters on Strike

Firefighters are protesting for better salaries.

Any player could decide to go straight to the fire station to sort out this problem by paying 5 resources from their department.

If not sorted out:

Any fires that break out in this round or in the next round will spread to all connected locations, turning all of them into crisis mode.

Repression of Demonstration

During a peaceful demonstration, some activists have been fined and repressed, restricting their freedom of expression. The court has ruled this unlawful.

The mayor of the city and the manager of the justice department are both fined 5 resources (if the mayor is also in charge of justice, pay twice).

In addition, the mayor must go to the city hall and stay there for this round if the majority of manager votes yes.

Tempting Offer

An influential industrialist offers the city manager in charge of Energy and environment protection a one-time payment of 5 resources for lucrative trash disposal deals for a year.

The manager of energy and environment protection can decide to accept or reject this offer.

Accepting means the manager gains 5 resources but the Recycling Plant must be put into crisis mode.

Shocking Robbery

Shocking heist at the stock exchange! The criminals got away.

Any city manager located at the stock exchange is robbed and loses 5 resources!

Power Outage

Power outage at the stock exchange!

The stock exchange is in crisis mode (turn it around) and isn't working this round (no benefits).

Any player could decide to go straight to the electric substation and pay 4 resources to make it work again.

Otherwise:

Energy -3

Health -1

Fire at the Shopping Mall

A large fire broke out at the shopping mall, causing a major rescue operation.

The Shopping Mall is in crisis mode (turn it around).

Any player could decide to go straight to the shopping mall and pay 5 resources to resolve the issue.

Otherwise:

Urban -2

Economy -2

Renovations in the City Hall

The City Hall is being renovated to fit the new fire safety standards.

The City Hall won't give any benefits this round.

Renovations in the Public Transit Authority

The Transit authority is being renovated to fit the new safety standards.

The Transit authority won't give any benefits this round.

Technical Issues at the Stock Exchange

Due to technical issues the Stock Exchange stays closed to identify the issues.

The location loses its benefits this round.

Interview

The media wants to interview someone from city hall about current happenings and projects in the city.

If any player is currently at the city hall, ask to move to the Media Center (do not jump straight, it could even take several rounds).

The player is allowed to do other activities on the way (like fixing problems at other locations). When the player gets to the Media Center, the city gets 1 extra resource and the player gains two votes cards

Unknown Virus at the Hospital

An unknown virus was detected
at the Hospital.

**As a consequence, the
Hospital needs to be put into
lockdown.
Put it into crisis mode.**

Recycling Plant Overfilled

The recycling has been overfilled due to a large influx of trash after a big city festival.

Any player could decide to go straight the Recycling Plant and pay 4 resources to fix it.

If not sorted out:

Put Recycling Plant into crisis mode.

Energy -3

Big City Festival

Minor
events

A big city festival is held in the central park of the city.

It attracts many visitors and the city receives +1 resource this round.

Local Football Club Wins Championship

The local football club has just won the national championship.

The mayor has been invited to the celebrations and gains 2 votes cards.

The city also benefits from the positive energy and gains +1 resource this round.

Health & Wellbeing: +1

Important Trade Fair

The city manager in charge of Energy & Environment Protection has managed to attract one of the most important trade fairs about clean energy technology to the city.

The city immediately gains +1 in Energy & Environment Protection and the manager in charge of the department gains 1 votes cards.

City Manager Awarded Medal of Honor

The city manager of Justice & Safety has been awarded a national medal of honor for innovative approaches to tackle the city's crime rate.

The city manager gains 1 votes card and the department gets 5 resources as a reward and is widely featured on national TV.

Highly Competent Staff

The Education department is working so efficiently that the city manager in charge of the department spends very little time overseeing the staff members.

This means that the manager of the Education department gets 2 moves and 2 actions this round.

New Subway Line

The city manager of the Urban Development department has secured national funding for a new subway line.

Add +3 resources to the Urban Development level immediately (and the manager in charge of Urban Development receives 1 votes card).

Good2Go Comes to Town

Good2Go, the international company which has won several sustainability awards, has decided to open a branch in your city.

This will have the immediate effect of giving you +1 resource to Education and an extra resource to be assigned this turn.

Riot after Riot Concert

After the band Riot played a concert in the city, the last song of the night ironically being called "Let's start a riot", a group of people rioted which damaged parts of the Cultural Hub.

Put the Cultural Hub in crisis mode. Any player could decide to go straight the Concert Hall and pay 3 resources to fix the issue.

**If not sorted out:
Education -2**

Rare Tree in Community Gardens

The press has featured a rare tree in the Community Gardens and now everyone wants to see it.

If the Community Gardens are not in crisis mode, you receive +1 resource at the end of this round.

Recycling improved

Through recycling and people's awareness, pollution was reduced compared to previous years.

The departments of both Energy and Education get +2 resources.

Torrential rain

Torrential rain left major damage in several urban areas of the city center due to the poor forecast.

**Energy and urban
development**

-2 resources and economy -1.

Junk Food at school

A public high school offered junk food to its students at the beginning of the academic year.

If any of the player or more than one player together will agree to pay 3 resources to support local agro ecological farmers and change the menu, you keep the rest of your resources. If not, Healthcare loses 2 resources and Educations, other 2.

Strike

Some measures taken by youth entertainment companies have decided to reduce their work staff.

This situation limits the capacity of youngsters who attend these entertainment centers. The young people have urged the workers to call an indefinite strike until a possible solution is found.

Put the Youth Center in crisis mode.

Public care homes

The transfer of the management of public care homes to unsustainable companies violates workers' labour rights and the Labour Inspectorate sanctions the Department of Economy.

Economy -3 resources

Rare Tree in Community Gardens

The press has featured a rare tree in the Community Gardens and now everyone wants to see it.

If the Community Gardens are not in crisis mode, you receive +1 resource at the end of this round.

New investment in healthcare

The Economy manager has decided to invest in healthcare to generate new jobs and creates a specific area of functional diversity at the hospital.

The health of people and families improve.

Health & Welfare gets 3 resources; the Economy manager gets 1 votes card.

Fishermen protests

Some workers from local fishing companies are complaining about illegal fishing by citizens in the rivers because it threatens the city's sustainability and environment, especially, a protected species of fish.

-2 Resources Energy and environment.

Zero hunger

A citizens' initiative of soup kitchens is created in order to support the most disadvantaged people of the city.

Health & Welfare +3 resources

Promotion of green transportation

The Mayor has decided to allocate a public fund for the purchase of bicycles by the city residents, providing a discount of 50% on the full price.

The aim is to reduce the use of private vehicles and to promote the sustainability of the city for avoiding traffic jam during rush hours.

**Urban development +1 and
Energy & Environment +2
resources. The mayor gets 1
package of votes card.**

Protest at the City hall

A group of environmental activists protest at the City hall against climate change.

The location is not damaged but the reputation of the municipal government is damaged.

The Mayor has to be changed at the end of this round.

Eurovision

This year's edition of Eurovision will be held in the city. Many people will be visiting.

Mayor gets 1 votes card and the Economy department +3 extra resources on this turn.
